However, they are required to quote rate separately for proofed basic cloth per sq. meter, rate of eyelets per number and rate of lashing rope per number. In the event of rate contract is concluded on a Tenderer. S/o will be placed indicating specific size of tarpaulin/ covers waterproof, number of eyelets and position of fixing eyelets and number of lashing ropes, price payable for tarpaulin/covers waterproof shall be computed to per piece of the required size complete with required. number of eyelets and lashing ropes on the basis of price per sq. metre of finished cloth, eyelets and lashing rope as in the R/C and the price so computed shall be counted to the nearest 10 paise.

(5) SAMPLE CLAUSE:

APPROVED SAMPLES:-

In case where Supply Order (S/O) stipulates samples to be approved by the indenter before bulk manufacture the supplier shall submit within 15 days of receipt of S/O three (03) identical sets of samples as per contract specifications for indenter's approval through inspecting officer. Each set shall contain three numbers of samples each of items depicting indeterminable parameters such as, shade/tone (light, medium, dark) size make-up, feel, finish and workmanship.

On the receipt of samples the inspecting officer shall examine the sample for size/dimension construction (threads per d.m., count of yarn, plies of yarn, strands of yarn, weave) composition (where applicable) and mass (duly conditioned) to verify if they are as per required specification and if found satisfactory shall forward the same to the indenter for his approval in respect of indeterminable parameters.

In case these parameters meet the requirement of indenter he shall label and seal the samples with remarks as "Approved" or "Not approved". Indenter shall retain one set of sample with him, forward one set to inspecting officer concerned and the balance one set to the supplier for his guidance. Since approve of single sample will not adequate indication of variation in shade etc. approval of just one sample in a set will not be acceptable. It is, therefore, necessary that at least two of the three samples meet the approval of indenter. to depict the acceptable variation in indeterminable parameters. Samples approved as above shall be known as "Approved Samples".

In the event of indenter having repeat order under current R/C on the same supplier the samples approved in the earlier S/O can be adopted against subsequent S/Os.

Failure to submit samples by the stipulated date or in event of sample being rejected by Inspecting Authority or by indenter, the S/O shall be liable to be cancelled. at the risk and expense of contractor without any further reference to the supplier. The purchaser shall also be entitled to take contractual/administrative and other remedial measure including short-closure of the rate contract.

(P.S. Bisen)
Manager (Tech/Mkt)

Rate Contract No. CSIDC/MKD/PS-V/09-10/TP/MPTTI/1598

Dated: 17.07.2009

During manufacture/inspection of stores before despatch it shall be ensured that none of the offered/accepted lot is lighter or darker when compared with the approved sample of light and dark shade respectively.

REPRESENTATIVE SAMPLES:

During the course of inspection, samples will be drawn for detailed examination and test as laid down in the specifications. The inspecting officer shall simultaneously draw additional two samples, similar to the samples drawn for detailed tests, to be sent to each of the consignees alongwith accepted lot. All these samples should conform to the approved samples in respect of the indeterminable parameters such as shade/tone (i.e. light, medium, dark), size, make-up, feel, finish and workmanship.

These samples shall be known as "Representative Samples". The representative samples shall be labelled and sealed by inspecting officer and forwarded to consignee with the lot. The bale/packing in which these samples are kept, shall be clearly indicated in the inspection note for each consignee.

The consignees will be guided by these samples to determine whether the same lot as has been inspected and accepted by the inspecting officer has been despatched by the supplier.

Note:-

Inspection of stores shall be reported as per the inspection report proforma No.QA/IR/016. Hard copy attached. The supplier who down load the Tender Enquiry from WEB site may obtain hard copy of the inspection report proforma from WL Directorate.

(P.S. Bisen)
Manager (Tech/Mkt)

Rate Contract No. CSIDC/MKD/PS-V/09-10/TP/BLW/1599

Dated: 17.07.2009

(5) SAMPLE CLAUSE:
APPROVED SAMPLES:-

In case where Supply Order (S/O) stipulates samples to be approved by the indenter before bulk manufacture the supplier shall submit within 15 days of receipt of S/O three (03) identical sets of samples as per contract specifications for indenter's approval through inspecting officer. Each set shall contain three numbers of samples each of items depicting indeterminable parameters such as, shade/tone (light, medium, dark) size make-up, feel, finish and workmanship.

On the receipt of samples the inspecting officer shall examine the sample for size/dimension construction (threads per d.m., count of yarn, plies of yarn, strands of yarn, weave) composition (where applicable) and mass (duly conditioned) to verify if they are as per required specification and if found satisfactory shall forward the same to the indenter for his approval in respect of indeterminable parameters.

In case these parameters meet the requirement of indenter he shall label and seal the samples with remarks as "Approved" or "Not approved". Indenter shall retain one set of sample with him, forward one set to inspecting officer concerned and the balance one set to the supplier for his guidance. Since approve of single sample will not adequate indication of variation in shade etc. approval of just one sample in a set will not be acceptable. It is, therefore, necessary that at least two of the three samples meet the approval of indenter. to depict the acceptable variation in indeterminable parameters. Samples approved as above shall be known as "Approved Samples".

In the event of indenter having repeat order under current R/C on the same supplier the samples approved in the earlier S/O can be adopted against subsequent S/Os.

Failure to submit samples by the stipulated date or in event of sample being rejected by Inspecting Authority or by indenter, the S/O shall be liable to be cancelled. at the risk and expense of contractor without any further reference to the supplier. The purchaser shall also be entitled to take contractual/administrative and other remedial measure including short-closure of the rate contract.

During manufacture/inspection of stores before despatch it shall be ensured that none of the offered/accepted lot is lighter or darker when compared with the approved sample of light and dark shade respectively.

REPRESENTATIVE SAMPLES:

During the course of inspection, samples will be drawn for detailed examination and test as laid down in the specifications. The inspecting officer shall simultaneously draw additional two samples, similar to the samples drawn for detailed tests, to be sent to each of the consignees alongwith accepted lot. All these samples should conform to the approved samples in respect of the indeterminable parameters such as shade/tone (i.e. light, medium, dark), size, make-up, feel, finish and workmanship. These samples shall be known as "Representative Samples". The representative samples shall be labelled and sealed by inspecting officer and forwarded to consignee with the lot. The bale/packing in which these samples are kept, shall be clearly indicated in the inspection note for each consignee.

The consignees will be guided by these samples to determine whether the same lot as has been inspected and accepted by the inspecting officer has been despatched by the supplier.

Note:-

Inspection of stores shall be reported as per the inspection report proforma No.QA/IR/016. Hard copy attached. The supplier who down load the Tender Enquiry from WEB site may obtain hard copy of the inspection report proforma from WL Directorate.

In the event of rate contract is concluded on a Tenderer. S/o will be placed indicating specific size of tarpaulin/ covers waterproof,number of eyelets and position of fixing eyelets and number of lashing ropes, price payable for tarpaulin/covers waterproof shall be computed to per piece of the required size complete with required. number of eyelets and lashing ropes on the basis of price per sq. metre of finished cloth, eyelets and lashing rope as in the R/C and the price so computed shall be counted to the nearest 10 paise.

(5) SAMPLE CLAUSE:

APPROVED SAMPLES:-

In case where Supply Order (S/O) stipulates samples to be approved by the indentor before bulk manufacture the supplier shall submit within 15 days of receipt of S/O three (03) identical sets of samples as per contract specifications for indentor's approval through inspecting officer. Each set shall contain three numbers of samples each of items depicting indeterminable parameters such as, shade/tone (light, medium, dark) size make-up , feel, finish and workmanship.

On the receipt of samples the inspecting officer shall examine the sample for size/dimension construction (threads per d.m., count of yarn, plies of yarn, strands of yarn, weave) composition (where applicable) and mass (duly conditioned) to verify if they are as per required specification and if found satisfactory shall forward the same to the indentor for his approval in respect of indeterminable parameters.

In case these parameters meet the requirement of indentor he shall label and seal the samples with remarks as "Approved" or "Not approved". Indentor shall retain one set of sample with him, forward one set to inspecting officer concerned and the balance one set to the supplier for his guidance. Since approve of single sample will not adequate indication of variation in shade etc. approval of just one sample in a set will not be acceptable. It is, therefore, necessary that at least two of the three samples meet the approval of indentor. to depict the acceptable variation in indeterminable parameters. Samples approved as above shall be known as "Approved Samples".

In the event of indentor having repeat order under current R/C on the same supplier the samples approved in the earlier S/O can be adopted against subsequent S/Os.

Failure to submit samples by the stipulated date or in event of sample being rejected by Inspecting Authority or by indentor, the S/O shall be liable to be cancelled. at the risk and expense of contractor without any further reference to the supplier. The purchaser shall also be entitled to take contractual/administrative and other remedial measure including short-closure of the rate contract.

(P.S. Bisen)
Manager (Tech/Mkt)

Rate Contract No. CSIDC/MKD/PS-V/09-10/TP/JE/1600

Dated: 17.07.2009

During manufacture/inspection of stores before despatch it shall be ensured that none of the offered/accepted lot is lighter or darker when compared with the approved sample of light and dark shade respectively.

REPRESENTATIVE SAMPLES:

During the course of inspection, samples will be drawn for detailed examination and test as laid down in the specifications. The inspecting officer shall simultaneously draw additional two samples, similar to the samples drawn for detailed tests, to be sent to each of the consignees alongwith accepted lot. All these samples should conform to the approved samples in respect of the indeterminable parameters such as shade/tone (i.e. light, medium, dark), size, make-up, feel, finish and workmanship.

These samples shall be known as "Representative Samples". The representative samples shall be labelled and sealed by inspecting officer and forwarded to consignee with the lot. The bale/packing in which these samples are kept, shall be clearly indicated in the inspection note for each consignee.

The consignees will be guided by these samples to determine whether the same lot as has been inspected and accepted by the inspecting officer has been despatched by the supplier.

Note:-

Inspection of stores shall be reported as per the inspection report proforma No.QA/IR/016. Hard copy attached. The supplier who download the Tender Enquiry from WEB site may obtain hard copy of the inspection report proforma from WL Directorate.

However, they are required to quote rate separately for proofed basic cloth per sq. meter, rate of eyelets per number and rate of lashing rope per number. In the event of rate contract is concluded on a Tenderer. S/o will be placed indicating specific size of tarpaulin/ covers waterproof, number of eyelets and position of fixing eyelets and number of lashing ropes, price payable for tarpaulin/covers waterproof shall be computed to per piece of the required size complete with required. number of eyelets and lashing ropes on the basis of price per sq. metre of finished cloth, eyelets and lashing rope as in the R/C and the price so computed shall be counted to the nearest 10 paise.

(5) SAMPLE CLAUSE:

APPROVED SAMPLES:-

In case where Supply Order (S/O) stipulates samples to be approved by the indentor before bulk manufacture the supplier shall submit within 15 days of receipt of S/O three (03) identical sets of samples as per contract specifications for indentor's approval through inspecting officer. Each set shall contain three numbers of samples each of items depicting indeterminable parameters such as, shade/tone (light, medium, dark) size make-up, feel, finish and workmanship.

On the receipt of samples the inspecting officer shall examine the sample for size/dimension construction (threads per d.m., count of yarn, plies of yarn, strands of yarn, weave) composition (where applicable) and mass (duly conditioned) to verify if they are as per required specification and if found satisfactory shall forward the same to the indenter for his approval in respect of indeterminate parameters.

In case these parameters meet the requirement of indenter he shall label and seal the samples with remarks as "Approved" or "Not approved". Indenter shall retain one set of sample with him, forward one set to inspecting officer concerned and the balance one set to the supplier for his guidance. Since approval of single sample will not adequate indication of variation in shade etc. approval of just one sample in a set will not be acceptable. It is, therefore, necessary that at least two of the three samples meet the approval of indenter. to depict the acceptable variation in indeterminate parameters. Samples approved as above shall be known as "Approved Samples".

In the event of indenter having repeat order under current R/C on the same supplier the samples approved in the earlier S/O can be adopted against subsequent S/Os.

Failure to submit samples by the stipulated date or in event of sample being rejected by Inspecting Authority or by indenter, the S/O shall be liable to be cancelled. at the risk and expense of contractor without any further reference to the supplier. The purchaser shall also be entitled to take contractual/administrative and other remedial measure including short-closure of the rate contract.

(P.S. Bisen)
Manager (Tech/Mkt)

Rate Contract No. CSIDC/MKD/PS-V/09-10/TP/F/1601

Dated: 17.07.2009

During manufacture/inspection of stores before despatch it shall be ensured that none of the offered/accepted lot is lighter or darker when compared with the approved sample of light and dark shade respectively.

REPRESENTATIVE SAMPLES:

During the course of inspection, samples will be drawn for detailed examination and test as laid down in the specifications. The inspecting officer shall simultaneously draw additional two samples, similar to the samples drawn for detailed tests, to be sent to each of the consignees along with accepted lot. All these samples should conform to the approved samples in respect of the indeterminate parameters such as shade/tone (i.e. light, medium, dark), size, make-up, feel, finish and workmanship.

These samples shall be known as "Representative Samples". The representative samples shall be labelled and sealed by inspecting officer and forwarded to consignee with the lot. The bale/packing in which these samples are kept, shall be clearly indicated in the inspection note for each consignee.

The consignees will be guided by these samples to determine whether the same lot as has been inspected and accepted by the inspecting officer has been despatched by the supplier.

Note:-

Inspection of stores shall be reported as per the inspection report proforma No.QA/IR/016. Hard copy attached. The supplier who download the Tender Enquiry from WEB site may obtain hard copy of the inspection report proforma from WL Directorate.
