The Authority, its employees and advisers make no representation or warranty and shall have no liability to any person including any Bidder under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this tender document or otherwise, including the accuracy, adequacy, correctness, reliability or completeness of the tender document and any assessment, assumption, statement or information contained therein or deemed to form part of this tender document or arising in any way in this Selection Process.

The Authority also accepts no liability of any nature whether resulting from negligence or otherwise however caused arising from reliance of any Bidder upon the statements contained in this tender document. The Authority may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumption contained in this tender document. The issue of this tender document does not imply that the Authority is bound to select a Bidder or to appoint the Selected Bidder, as the case may be, for the Work and the Authority reserves the right to reject all or any of the Bids without assigning any reasons whatsoever.

The Bidder shall bear all its costs associated with or relating to the preparation and submission of its Bid including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations which may be required by the Authority or any other costs incurred in connection with or relating to its Bid. All such costs and expenses will remain with the Bidder and the Authority shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by an Bidder in preparation for submission of the Bid, regardless of the conduct or outcome of the Selection Process.

1.0. PREAMBLE

1.1. Ministry of Food Processing Industries, Government of India is organizing a 03 day a mega international food event "World Food India, 2017", summit in New Delhi from 3-5 November, 2017 at Vigyan Bhawan, New Delhi. Hon'ble Prime Minister will inaugurate the event on 03-11-2017.

The Government of Chhattisgarh has received an invitation from the Confederation of Indian Industry (CII) on behalf of Ministry of Food Processing Industries, Government of India. The State Government has agreed to participate with a grand presentation in the event. Honourable Chief Minister Dr. Raman Singh, Government of Chhattisgarh is likely to be present in the event.

1.2. A global event to facilitate partnerships between Indian and international businesses and investors, World Food India (WFI) is a gateway to the Indian food economy and an opportunity to showcase, connect, and collaborate.

1.3. Organized by the Ministry of Food Processing Industries, Government of India, WFI will be the largest gathering of investors, manufacturers, producers, food processors, policy makers, and organizations from the global food ecosystem. It aims to provide opportunities for both investment and trade in the food processing sector for leading Indian and international companies. Encompassing the entire food spectrum from production to consumption, WFI is looking at creating a better sourcing environment, thereby enabling higher returns for farmers, creating employment, and fostering entrepreneurship.

1.4. World Food India intends to establish global linkages and facilitate foreign investment in India's US\$ 915 billion farm-to-fork ecosystem that services the needs and rising aspirations of the country's 1.3 billion consumers.

1.5. The Opportunities for Government of Chhattisgarh at World Food India – 2017 are as follow:

- a) Understand the policy environment around food processing sector.
- b) Identify Specific opportunities during the B2G & G2G meetings.
- c) Exposure to a shelf of specific projects for investment in processing and retails.
- d) Exposure to strengths of India in pre-identified food processing sub-sectors.
- e) Exposure to FPOs' / Progressive Farmers – potential suppliers.
- f) Exposure to opportunities in food retails in India.
- g) Exhibit in the country pavilion.

- 1.6. World Food India 2017" is primarily aimed to show case the vast investment opportunities available in India and in state of Chhattisgarh for all food processing players including food processors, technology and equipment manufacturers and suppliers, logistics players, cold chain operators as also the food retailers . The State Government of Chhattisgarh has been allotted gross area of 400 Sq. Mtr. in Hanger – F (Pavilion no. 18, area - 40 Mtr x 10 Mtr = 400 Sq. Mtrs). Pavilion should be developed to showcase all the aspects of food processing sectors in Chhattisgarh.
- 1.7. The 3 day exhibition with its high profile show should feature the development scenario of the State and is an ideal platform for showcasing opportunities of State, Investment potential specifically in food sector, Business opportunities specifically in food sector, tourism potential and food processing industries in the state (Customised Stalls for Approximately 15-18 no's). It also provides most opportune platform to project the strength and potential of various departments of the State Government and PSU's working within the State.
- 1.8. World Food India 2017 is an event in which various state governments, large companies including Public Sector Corporations would be participating. Other private companies would also have sizeable presence in the event. The purpose of the participation is to promote various schemes and projects of the State Government mainly in food processing sector. It is a platform where companies present in Chhattisgarh State gets a platform to showcase their product range, technology, expansion plans and its contribution to the society at large. It is a platform where these companies, government department and private players get an opportunity to connect with the general mass at large.
- 1.9. People from various industries, business houses, senior management of exhibiting companies would be present along with high number of general visitors in the event ground. Looking to this aspect, effort should be made so that exhibition area and other areas offers substantial opportunities to attract serious visitors, investors etc. and at the same time it should be interesting enough for general public i.e. the group which is interested in show-business and gimmicks or general purchasing.

2.0. SCOPE OF WORK FOR EVENT MANAGEMENT WORK FOR FABRICATING & MANAGING CHHATTISGARH STATE PAVILION :

- 2.1 State Pavilion (Size 40 mtr x 10 mtr) will be solely dedicated for showcasing opportunities of State, Investment potential in sector of food processing, Business opportunities in sector of Agro & food processing. . The local industries from food processing sector will be provided with stalls for sale and demonstration of their product. The State Pavilion has been allotted RAW Space of 400 Sq. Mtr. (As per enclosed layout) which is open from all three sides.
- 2.2 The entire floor of the pavilion should have wooden raiser with needle punched carpet and a ramp for disabled for hurdle free access in the pavilion.
- 2.3 The theme area inside the state pavilion will have to be designed, erected and maintained by the tenderer. The entire conceptualization, design, erection, execution, interior decoration and maintenance work of the State Pavilion has to be part of the financial BID.
- 2.4 The front fascia of the state pavilion will have to designed and executed in a very attractive way. The State Pavilion fascia should stand out amongst the other stalls fascia. The fascia should be designed in manner so that it gives a very clear message of the theme through its various decorative elements.
- 2.5 The Chhattisgarh government has been the front runner to adopt and implement the various programs in sector of Food Processing within the state. Various initiatives and efforts have been taken by various departments of the state in this regard; all these initiatives and efforts are to be displayed in a very professional and modern way. Maximum use of digital media should be adopted while designing the entire exhibition area.
- 2.6 The tenderer will have to ensure that the both, theme as well as the stalls in the pavilion should be properly lit up and there is proper lighting in the both the sections. Entire lights and fittings as mentioned in the BOQ will be part of the scope of work.

- 2.7 The entire pavilion should be complete in all respect latest by 31st October 2017 by 1700 hrs.
- 2.8 The tenderer will have to create a small dry pantry cum store room within the Pavilion area as per the given layout. The entire construction and maintenance of dry pantry cum store room, including consumables has to be in the scope of the tenderer. There should be a pantry functional from 3rd November to 5th November 2017 at event site (i.e. C – Hexagon Park, India Gate, New Delhi) Hanger – F, Pavilion 18. The pantry will only be for the VIP's, Government Officials, Press and other guest visiting the State Pavilion. The rate should be quoted as per the items and quantities mentioned in the BOQ.
- 2.9 The tenderer will have to ensure that there are facilities of P.A. System for supporting the audio displayed on LED Video wall and LED TV in the stalls. The sound should be clearly audible inside the pavilions. There should be an arrangement for playing ambience instrumental music, which should be clearly audible to the public present in the pavilion and surrounding. The sound should be such that it should not be disturbing the people inside the exhibition area.
- 2.10 The tenderer should decorate all the entrance of the pavilion as instructed by CSIDC with natural flowers on the day of the inauguration and also on the day of closing. Providing flower bouquets, table bouquets, flower vase and garland etc. are part of the scope of tenderer work. The flower requirements are mentioned in the BOQ.
- 2.11 The agency will be required to conceptualize the design, layout and erect Chhattisgarh State Pavilion in fire resistant material as per approved design according to international standards and norms fixed by the organizers.
- 2.12 The material should be light weight, easy to carry and adjustable according to the space available. The structure should be 3D or any other type and should give a real feel of the place or things replicated.

- 2.13 The design and decoration at the pavilion should be planned in such a way that it showcases the best of State's potential in the sector of food processing. Traditional ethnic decorative items from Chhattisgarh may also be used. The entire area hired for stall fabrication should be easily accessible and visible. There should be ample space for putting up exhibitor's counters and exhibitors to sit (co-exhibitors as per stand size). Provision should be there for food processing industries from the state (14-15 stalls of approximate 3 mtr x 3 mtr each) to participate and display of their products.
- 2.14 The construction of the pavilion would be done on event basis. The company will be responsible to supervise the execution of work at site and manage the stall during the event.
- 2.15 Display of hi-resolution images in the inner walls of the pavilion approved by Chhattisgarh State Industrial Development Corporation Ltd. Arrange for sourcing of appropriate pictures, photographs and videos from various departments and companies participating. No extra payment for the purpose will be considered.
- 2.16 The images have to be collected by the agency and exhibited properly as per direction of event/ officer in charge.
- 2.17 Putting up a P4 LED video wall screen of size 10' x 8' with DVD players and sound system in the Pavilion. Agency will also keep provision of a touch screen information kiosk in the pavilion. Agency will have to collect the inputs/ media to be displayed on these screens from department relay it as per direction of Departmental for the event/ officer in charge.
- 2.18 Platform with mat/ carpet for the stall area.
- 2.19 Proper reception with sufficient furniture and other items as per requirement viz. Lounge sofa (single & double seated), centre table, chairs, tables, coffee table/eating space, half partitions, store, coat hanger, brochure rack, table bouquets/ flower bouquets, name plates/ boards, placates, potted plants, dust bins, drinking water dispensers etc. shall have to be arranged by the agency.

- 2.20 Stall fabrication cost, material transportation charges, customs clearances, material storage/ damage/ dumping charges, material disposal (including scraping) charges, insurances, visa processing fees of their agency staff and workmen, Custom duties, Security charges for stall and stores/ material, cleaning charges of stall, dismantling charges/ cost of stall etc. will have to be borne by the agency.
- 2.21 Event Manager has to provide all kind of electrical fixtures like long arm spot lights, halogens, power plug sockets etc. as per requirement and proper illumination of the images and stall. In case electricity bill for the venue, the agency may pay and it claim it from the Corporation later on.
- 2.22 The Event Manager/Contractor shall clear the site and hand over the possession back to the concerned authority proper order, once the event is over latest by date stipulated by Concerned Authorities.
- 2.23 Event Manager/contractor shall provide for snacks to the CSIDC management and guests, as and when required during the exhibition days. As part of the scope of work, minimum two English and Hindi speaking hostesses and a male coordinator would be provided in the pavilion.
- 2.24 Videography and photography of each event plus bouquet arrangements as and when required. Hard Copy of photographs in DVD along with videography DVD to be provided by the agency. The cost of same must be part of the financial bid.
